

For the joy of learning!

Give the gift of lifelong learning to your friends, family or yourself

\$60 per person for a full year

An OLLI membership introduces friends and family to a vibrant community of adults fifty and better eager to learn for the love of it, share ideas with fellow students, and forge new friendships with like-minded people. Membership grants access to four semesters of affordable courses, cultural events, day trips, our annual art show, plus reduced admission to our symposiums, speaker series, and discounts at many cultural organizations around the area. And no grades or tests!
